Headline:
Largely unsettled but a chance of some sunny spells.

Today:
A cloudy morning with potential for some light showers. Cloud breaking as we move into the afternoon making way for plenty of sunny spells, although some showers persisting into the evening. Feeling cooler than of late. Maximum temperature 20 deg C (68 deg F).

Tonight:
Cloud moving in from the west overnight and the potential for some rain or drizzle in the early hours of the morning. Minimum temperature 14 deg C (57 deg F).

Saturday:
A rather cloudy day with some isolated morning showers, followed by patchy light rain pushing in from the southwest during the afternoon. Feeling cool for the time of year. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Another cloudy day on Sunday with outbreaks of rain at times. Turning drier into next week with winds picking up throughout the country. Feeling cooler than recently.
